Curated by Sika Foyer

Location: The Yard Greenpoint

33 Nassau Ave, 2nd floor, Brooklyn NY 11222

Flirting can be an enjoyable form of interaction to build relationships. Non-verbal cues, showing intelligence, and having a gentle approach are seen as some of the most effective flirting behaviors. The artists of “EnvironMental Coy,” put these practices to use as they ingeniously demonstrate how they’ve built long lasting and meaningful relationships with the environment.
